What are clusters meant to do?

Allows the student to develop “why am I doing what I’m doing?”

What are we doing with the clusters? How to break them down?

What do these clusters do for us structurally in the institution?

Who will guide these along and adapt with the changing times?

Where does Social Justice and Sustainability fit in at Wells

Lindsay’s beginning model of clusters

Division structure at Wells

If not division, then what?

How are we going to manage hiring prioritization?

How to implement and sustain a cluster policy?

How do majors and divisions fit into this?
