

Attendees: Provost Speaker, Professor McClusky, Ast Professor Burwell, Ast Professor Goebel

Start time 11am

Discussion of PHIL faculty request

Recommending approval of a one year visiting professor- Could help in restructuring the program when looking at prioritization of the major.

ASAA/EPC meeting from 11/13/19

Which committee will bring forward the recommendation of the 18-credit maximum

Discussion of comments and concerns gathered from 11/13/19 Faculty Meeting on the AMP

Vision statement comments- some rewording suggestions

Where to move on from here?

“Cluster” comments and concerns

Term “clusters” not a working title-What is it, and what should it be called?

What is our academic program now? Where are we on prioritization and the ad hoc’s work on the academic program?

What is a “Cluster”? How would it be structured?

Creating interdisciplinary connection

Marketing and providing terminology

Allows Alumni to connect and support clubs and organizations on campus

Separating different plans (A-D) to allow an in-depth look at our possible outcomes.

How do we maintain any of these? What do we want to do with them?

Cluster terminology goes back to prioritization wording.

Homework: Looking at Prioritization Process- Adding to it. Pros, Cons, Questions, What Next?

Adjourned 12:21pm
