**Subject: Wells College Fall 2021 Final Exam Schedule**

To find the times for your exams, first find the beginning times for each of your classes. The day and date of the exam are listed at the top of the four lightly shaded columns; the time of the exam is in the darker shaded box in the left column.

Students who have a conflict, such as more than one in-person exam at the same time or three exams in one day, should contact their professors to discuss appropriate accommodations.

**Please Note: No Final Exams shall be given or due prior to Monday, December 13 at 9:00 A.M. All courses must have some final exam/paper/meeting between Monday, December 13 and Friday, December 17. No work should be accepted past 5:00PM on Friday, December 17.**
