## Mathematics Minor

Students majoring in physics or computer science may minor in mathematics. Internships may not be used to fulfill minor requirements.

The total number of courses required for the minor is 6 (20 semester hours).

### Requirements:

Both of the following (8 sem. hrs.)

- MATH 111      Calculus I: Introduction to Calculus (4 sem. hrs.)
- MATH 112      Calculus II: Introduction to Calculus (4 sem. hrs.)

Four more mathematics courses above the 100-level (12 sem. hrs.)

- \_\_\_\_\_
