Meeting Minutes

May 2, 2012

EPC Members in Attendance: Provost Cindy Speaker, chair; Professors C.J. Koepp, Ted Lossowski, Tom Stiadle and Susan Tabrizi and student member Jeremiah Miller

The meeting began at 9:30

Approval of minutes from April 25, 2012 were postponed until the May 9th meeting.

1. Continued talks on Academic Development. Continue faculty development by fully staffing and maintaining the faculty. In addition we should have a supportive staff.
2. Maintain that we are small, smart, and connected. We want to ensure that we maintain a sense of being connected to our community and not just the world at large, but do so without being insular.
3. Criteria: Parsimony – we wish to make sure that a simplicity exists within our system so that it is clear. Authenticity – what we say is what is actually received. We want to also ensure that what we create is meaningful.
4. Our homework is to read through others and see where our thoughts go.

The meeting ended at 10:30

Respectfully Submitted,

-Jeremiah Miller
