- If you are interested in translation services, plan to pursue further studies in Spanish, either in graduate school, the Foreign Service Institute, or another language school in the U.S. or overseas.
- Travel to a Spanish-speaking country or study abroad in international exchange programs to attain maximum fluency.
- Learn about the customs and culture of the Hispanic world including literature, art, history, music and politics.
- Read international newspapers to keep up with developments overseas.
- Find out which companies do business with the countries in which your language of study is spoken.
- If you are interested in teaching, learn the state certification processes for teaching and develop superior written and oral communication skills in the English language including proper sentence structure and comprehensive vocabulary. Minor or double major in another subject that you could also teach.
