Name: _____

Advisor: _____

Graduation Year: _____

Sustainability

The number of courses required for the major is 14 (42-46 semester hours). This major recognizes the environment as a physical, social, cultural, and psychological entity that is threatened by many forms of human activity. It further recognizes that humanity can make a difference by developing multi-faceted solutions that will help us to exist as a species, create a just, equitable society, and maintain a healthy planet.

Requirements:

All of the following (24-26 sem. hours)

SUS 101	Introduction to Sustainability	(3 sem. hrs.)
