

# Wells College Association of Alumnae and Alumni Award

The Award Committee of the Wells College Association of Alumnae and Alumni (WCA) is seeking nominees for the WCA Award. The Award recognizes Wells alumnae and alumni of high achievement in their professions and careers, in volunteer and community work, in service to their alma mater, or in some combination of those endeavors. It honors those who have been uniquely empowered by their undergraduate experience – those who see their Wells education as providing a special foundation or sense of direction and whose subsequent contributions reflect distinction on them as well as on the College. The Award is bestowed at a special Honors Convocation held during Reunion in late spring of each year.

## CONSIDER MAKING A NOMINATION TODAY!

Please bear in mind the following:

- The Award Committee cannot nominate candidates, nor may an alumna or alumnus nominate themselves, therefore, *we depend upon you.*
- All you need to do is make a nomination. The Committee will do the rest of the work.
- Only living alumni are eligible, and both graduates and non-graduates are considered alumni. There are no age restrictions on eligibility.
- The Committee research process is lengthy and not all candidates who are reviewed will receive the award.
- *Your nomination must remain confidential.*
