

Advising for juniors

Requirements to be taken either Fall or Spring Semester

Course selection **must** include:

- One PE activity course

Remember that:

- A course can be added within the first 10 class days of each semester, however, after five days the student requires permission of instructor.
- A course may be dropped (meaning it will not appear on a transcript) through the 10th days of classes.
- After the add/drop period ends, a student may withdraw from a class through the 9th week of classes by using the withdrawal form-a 'W' will appear on the transcript for that course.
- After the 9th week of classes, and before the end of classes a student may petition to withdraw from a class, and will be granted either a 'W' for withdraw or a "WF" for withdraw failing depending on grade.
- A student must earn 120 credits in order to graduate with a degree from Wells College.
- Only 45 credits of any one discipline will be counted in the required 120.

Declaring a minor

A minor can be a good way to study additional interests or to better prepare for graduate study or work after Wells.

- A student wishing to declare a minor must do so by the first day of classes of the first semester of his/her senior year
- The minor declaration form must be signed by the major advisor and the minor coordinator
- An overall GPA of 2.0 or better must be earned in courses used toward the minor
- No more than 50% of the semester hours applied to the minor by also be applied to the major

Experiential Learning

Don't forget that each student must complete two experiential learning activities regardless of major.

- **Credit-bearing internships**
- **Off-campus student abroad**
- **Off-campus study in the US**-must include fieldwork or an internship
- **Student teaching**
- **Experiential learning seminars and service-based independent studies**-separate from regular courses
